Subject: Establishment of CSC Centers at Gram Sachivalayas in Haryana

Reference to the Video Conference chaired by Hon'ble Chief Minister with Divisional Commissioners, Deputy Commissioners and Additional Deputy Commissioners on 06-05-2015, it was intimated that all the villages of the State have been clubbed into 2294 clusters (List placed at Flag-A) and it is targeted to set up one Gram Sachivalaya in every cluster in next five years. Initial target of setting up about 5 to 10 Gram Sachivalayas per district and about 150 to 200 in the entire state by 31st of May 2015 was fixed unanimously. Further, it is also mentioned to start Common Service Centres (CSCs) from the same Gram Sachivalaya building.

In pursuance of the above, we have collected the information from the districts, where villages have been identified by the district administration for setting up of these Gram Sachivalayas along with the status of CSC centres already existing in those villages or already planned in the next phase of selection of CSC operators. The list of villages received from your district is placed at Flag-B.

It is further requested to do the following for completion of activities by 15th June 2015:

1. Move the CSC of the village into the same existing Gram Sachivalayas' building .
2. CSC operations to be started at the earliest in Gram Sachivalayas building
3. Selection of CSC operators at identified planned Gram Sachivalayas
