

District Child Protection Unit, Hisar

(Under Women Child Development Department Haryana Govt.)

Purpose of Society:-

The Child Protection Scheme is expected to significantly contribute to the realization of Government/State responsibility for creating a system that will efficiently and effectively protect children. It is based on cardinal principles of “protection of child rights” and “best interest of the child”. Hence, the DCPS objectives are: to contribute to the improvements in the well being of children in difficult circumstances, as well as to the reduction of vulnerabilities to situations and actions that lead to abuse, neglect, exploitation, abandonment and separation of children. These will be achieved by:

- (i) Improved access to and quality of child protection services;
- (ii) Raised public awareness about the reality of child rights, situation and protection in India.
- (iii) Clearly articulated responsibilities and enforced accountability for child protection.
- (iv) Established and functioning strictures at all government levels for delivery of statutory and support services to children in difficult circumstances.
- (v) Introduced and operational evidence based monitoring and evaluation.

Specific Objectives:-

To institutionalize essential services and strengthen structures:

- (i) Establish and strengthen a continuum of services for emergency outreach, institutional care, family and community based care, counseling and support services.
- (ii) Put in place and strengthen necessary structures and mechanisms for effective implementation of the scheme at the national, regional, state and district levels.
- (iii) Define and set standards of all services including operational manuals for the functioning of statutory bodies.

To enhance capacities at all levels:

- (i) Build capacities of all functionaries including, administrators and service providers, at all levels working under the DCPS.
- (ii) Sensitize and train members of allied systems including local bodies, police, judiciary and other concerned departments of State Governments to undertake responsibilities under the DCPS.

To create database and knowledge base for child protection services:

- (i) Create mechanisms for a child protection data management system including MIS and child tracking system in the country for effective implementation and monitoring of child protection services.
- (ii) Undertake research and documentation.

To strengthen child protection at family and community level:

- (i) Build capacities of families and community to strengthen care, protection and response to children.
- (ii) Create and promote preventive measures to protect children from situations of vulnerability, risk and abuse.

To ensure appropriate inter-sectoral response at all levels:

Coordinate and network with all allied systems i.e. Government departments and Non-Government agencies providing services for children for effective implementation of the scheme.

To raise public awareness:

- (i) Educate public on child rights and protection.
- (ii) Raise public awareness at all levels on situation and vulnerabilities of children and families.
- (iii) Inform the public of available child protection services, schemes and structures at all levels.
